Dear Mrs. Sara

As the President, I am proud to announce that this Friday marks the 30th anniversary of our long and successful running country club. This, of course, calls for a night of celebration. For this reason, we have reserved the Grand Hall at the Falcon Hotel the Friday at 7:00 pm for a night of fine dining and networking.

On this special evening, the newest members of our club will get an opportunity to listen to the thoughts of our older members and exchange ideas in an informative atmosphere. The newest members who will be carrying on our tradition, should hear what the older members have to say.

Further, the food will be superb. I've had a chance to dine at the hotel several times in past in other functions, and it was the food that convinced me to hold our event there. I am quite certain that all of our members will share my feeling. Anyhow, I am looking forward to this Friday when all our members meet and have some fun.
